

SPRING FAIRS

This spring, we took part in several key international motorcycle industry events, including **MotoExpo Athens**, **Makina Moto Expo** in the **Philippines** and **MotoBike Istanbul**.

These events were an opportunity to meet distributors, dealers, media partners and riders across strategic markets, while showcasing our latest tyre range and product developments.

Our next stop will be **The Tire Cologne**, one of the world's leading B2B tyre industry exhibitions, where we will exhibit with our own stand.

We look forward to welcoming you at: 📍 **Hall 6.1 – Booth B040**
